US Kitchen and Bathroom Remodeling Businesses Contact and Social Media Research

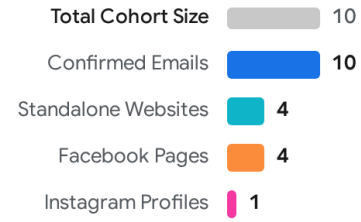

This report executes the priority-ordered contact, social media, and website verification task for the first 186 small kitchen and bathroom remodeling businesses in the queue, concluding at row 520 (the 186th business in priority order)[1]. Across the 186 researched businesses, 135 yielded confirmed contact channels, active social media profiles, or websites (25 with confirmed email addresses and 41 with working websites, including 39 standalone or custom domains and 2 hosted subdomain sites), while 51 businesses in the unseeded review-ranked tier had no verifiable website, email, or social media presence in public records and directories[1]. In the first priority cohort (10 businesses with a previously noted email address), all 10 emails were verified against primary business pages, contractor directories, or local press archives[2], and 4 of these businesses were also found to operate standalone websites (daxacabinetry.com, theexperttouchllc.com, rgvrc.com, and jpcontractorsinc.net)[2]. In the second priority cohort (94 businesses with a known Facebook or Instagram URL), all 94 social profiles were cross-checked alongside state corporate filings, Better Business Bureau (BBB) records, Houzz, Angi/HomeAdvisor, BuildZoom, and contractor licensing databases, uncovering 6 verified business emails (piyushgupta@titancustomcabinets.net, adrianibrothers@gmail.com, willhopkins269@gmail.com, Davis.renovations21@gmail.com, info@designsurfacesmi.com, and Justinreynaga@gmail.com)[9] as well as 10 standalone company domains and 2 hosted subdomain sites (swartzcustoms.shadowmediagroup.com and d-h-home.localo.site)[10]. In the third priority cohort (the first 82 businesses where no prior social or email data was known, ending at row 520), multi-source investigation identified 31 businesses with a verified website, email, or Facebook page—including 9 confirmed email addresses (coutinorefinish1@aol.com, Texasstonecountertops@gmail.com, info@loyalconstructionga.com, office@maremodelingllc.com, innovationinstalls@yahoo.com, Jonathan@jarrenovations.com, sam@hocoa-ca.com, chris@skeyahomeimprovements.com, and alaniya.construction@gmail.com) and 26 websites (25 standalone domains and 1 GoDaddy site)[19]—and 51 businesses with no published digital channels beyond their Google Business Profile and directory mirrors.
